Dear Supporting Artistes,

Due to unprecedented demand we are currently planning a police procedures training day, which will include small arms and tactical police training instructed by former as well as serving police and armed forces personnel. These exercises will enable those wishing to learn or develop their police skills and techniques to more accurately portray police officers on film and television productions in the future.

The areas we wish to cover will include:

- Armed Response Manoeuvres
- ASP Handling
- Close Quarter Battle / CQB
- Cuffing and Restraint Techniques
- Door Entry Drills
- Firearms Handling & Safety
- Leadership Techniques and Tactics
- Siege Team Surveillance
- Tactical Formations
- Vehicle Embus & Debus Procedures

If you would be interested in taking part in these training opportunities please do not hesitate to contact us.

We look forward to hearing from you.
